

DeakinAir

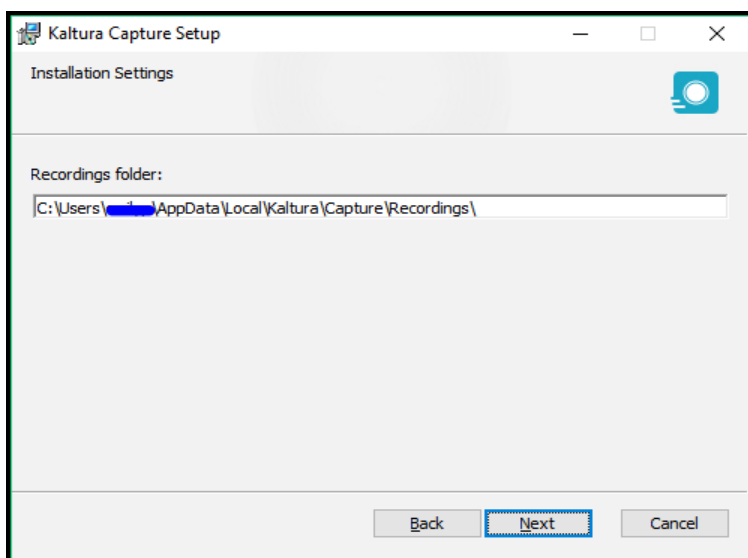

Installing Kaltura Capture

Kaltura Capture can be installed via the Software Catalogue for Deakin shield users (PC), via Self Service (Mac) or DeakinAir for non shield and Mac machines.

Follow the instructions below, depending on your machine requirements.

Installing via the Software Catalogue (Deakin Shield PC)

1. Navigate to the Software Centre
2. Select Kaltura Capture and click install
3. The set up process will begin. Choose a new recording location or leave in the specified location.
